Thanks

I have just put in an FOIA request to the MoD as follows:

Copies of the presentations made at a briefing to industry on the replacement for the nuclear deterrent at Abbey Wood on 29 June 2007 by Andrew Mackinder (Team Leader of the Future Submarine IPT), David Gould (Chief Operations Officer, DE&S), Tom McKane (DG Strategic requirements), Rear Admiral Matthews (DG Nuclear) and Nick Bennet (DG Strategic Technology); and copies of any minutes and reports of this briefing.

Hi John,

Here's a copy of our Trident and Employment report. It's about to be printed so this is the final report.
